

## Scripture Storyline Bible Reading Plan

The Church Next Door is taking its daily Bible readings from the Scripture Storyline Bible reading plan. This plan focuses on the main story of the Bible by going from Genesis to Revelation. The plan reinforces this story by matching Old Testament history passages with Psalms and Proverbs that were either written during the time of those passages or relate to the content of those passages. It is also reinforces the story by interspersing the Old Testament with the Gospels of Matthew and Mark.

These daily readings can be read on their own, but they can also be supplemented with the *Scripture Storyline* book. There is a short passage in the book for each day's reading. These passages reveal where the contents of the day's main passage appear in other passage, thus further reinforcing the overall story.

This plan can also be found on The Church Next Door's app under the "Bible" tab.
